The City of Manhattan Beach Hires a New Chief of Police

Manhattan Beach, CA (July 26, 2022) - The City of Manhattan Beach is proud to announce the selection of Chief Rachel Johnson as the new Chief of Police.

Chief Johnson brings significant experience and achievements to the Manhattan Beach Police Department, including over 21 years of law enforcement experience.

"I'm honored to have the opportunity to serve as the Police Chief for the City of Manhattan Beach," said Johnson. "I look forward to working together with the Police Department's sworn and professional staff, City leaders, and the community to continue the Manhattan Beach Police Department's legacy of excellent service, with a focus on crime prevention, quality of life, and fostering relationships. I'm delighted to work in such a vibrant and engaged community, and to work together to keep our City safe."

Johnson is a United States Marine Corps Veteran and served from 1997 to 2001 as an Air Control Electronics Operator. During her military service, she was stationed at Marine Corps Air Station Futenma in Okinawa, Japan and Marine Corps Air Station Miramar in San Diego.

In 2001, Johnson began her career in law enforcement at the Orange County Sheriff's Department before laterally to the Newport Beach Police Department in 2005. During her tenure in Newport Beach, Johnson worked a wide variety of assignments. She served as a field training officer until 2012 when she promoted to sergeant, supervising the traffic division, special events, and major accident investigations. In 2017, she promoted to lieutenant, overseeing jail operations, the mounted unit, and the explorer program.

Since 2020, Johnson has served as a police captain for the Laguna

Beach Police Department, overseeing both the support and investigative services and field services divisions. She was also assigned to oversee the City's COVID-19 response in the Emergency Operations Center during the height of the pandemic.

Johnson was awarded the Lifesaving Medal in 2014 for conducting CPR on a person who crashed his car following a heart attack. In addition, she is a graduate of Sherman Block Leadership Institute, the International Association of Chiefs of Police Women's Leadership Institute (WLI), and the California POST Executive Development Course. She has associate's, bachelor's, and master's degrees with areas of study in Management and Administration of Justice.

Johnson has a broad array of experience in beach communities, and a demonstrated success in strategic and operational planning, crisis management, employee development, and community collaboration.

"The men and women of the Manhattan Beach Police Department provide exemplary services and take great pride to ensure the safety of Manhattan Beach so that residents and visitors alike can enjoy the quality of life that Manhattan Beach has to offer. With her community-oriented and proactive policing approach, I'm confident that Johnson is the right person to lead the Manhattan Beach Police Department and keep our residents safe," said City Manager Bruce Moe. "Johnson is a highly respected leader who will serve our community well."

"We look forward to welcoming Chief Johnson, and supporting her in serving the Manhattan Beach community that we all love," said Manhattan Beach Police Officers' Association President Dan Brandt.

Johnson was born and raised in Houston, Texas. She is an avid runner, hiker, and cyclist. In her free time, Johnson enjoys spending time with her family and volunteering for the First Battalion, First Marines Foundation, and Leadership Tomorrow, Orange County.

Johnson's first day on the job was Monday, August 8th. She will succeed Police Chief Derrick Abell, who retired in December 2021 and has been serving as Interim Police Chief during the executive search.

Spicy Tomato Sauce
Sugo al Pomodoro Piccante
Makes about 3 cups

Ingredients:

- 4 tablespoons olive oil
- 1 medium onion, chopped
- ½ teaspoon red chili flakes, or more to taste
- 2 cloves garlic, minced or grated on a rasp
- 1 (28 ounce) can crushed San Marzano tomatoes, crushed
- 1 teaspoon dried oregano
- About 10 fresh basil leaves, torn
- 1 teaspoon Kosher salt, or to taste
- ½ teaspoon freshly ground black pepper, or to taste

For serving:

- Fresh basil
- Finely Grated Parmesan cheese

1. In a large sauce pot over medium heat, heat the olive oil.
2. Add onion and sauté for 3 minutes, or until the onions appear translucent.
3. Add chili flakes and garlic and sauté for about 30 seconds, until fragrant (do not burn).
4. Add the tomatoes and the remaining ingredients. Stir to mingle the flavors.
5. Once the sauce comes to a boil, lower the heat, and continue to simmer for 30 minutes, uncovered, stirring occasionally.

Serve tossed with your favorite cooked pasta, topped with fresh basil, and grated Parmesan cheese. Buon Appetito!

Non-Profit Information

MBSAFE (Manhattan Beach-Safe Alternatives For Everyone) is a local non-profit working to keep unhoused individuals off our streets. We aim to find compassionate solutions for people experiencing homelessness while keeping our community safe and clean for everyone. Donations thus far allowed us to provide things like:

- Transitional housing (both long and short term) through SHARE! Housing
- Bus fares for family reunification
- Supplemental assistance for food, rent, apartment essentials and clothing
- Uber fares to mental health appointments
- We continue to see an increase of homeless people throughout the city. Community awareness and engagement are essential if we are to stem this tide and remain encampment free.

Our philosophy is "A Hand Up, not a Hand Out". If you see someone who is unhoused please:

- Assess the situation. If a danger to themselves or others please call the police and file a report or ask for a mental health evaluation.
- If not a danger, please inform MBSAFE. We share info with the city homeless liaison and housing navigator, which allows for intervention, allocation of appropriate resources and development of an individualized action plan.
- Please do not give them money as this only allows them to remain on the street longer and be resistant to services they may need.
- Consider cameras outside your businesses and report anyone panhandling, sleeping or camping out on the street or benches, parks, beach, etc.
- Get involved! We need the whole community.

Visit our website at mbsafe.org or our Facebook page for more information and ways to get involved.
